

Date: 27th Oct, 2021

MNR Medical College and Hospital is going to organize a **Blood Donation Camp** in MNR Campus Sangareddy on 29th Oct 2021 From 9:00 AM onwards.

The donation camp is going to organize as a part of promoting voluntary blood donation and to create awareness among the people.

During the camp, the doctors will highlight the importance of blood donation, health benefits, a list of tests performed on every donated unit of blood, and the responsibilities of blood donors.
